

PILL & EASTON-IN-GORDANO PARISH COUNCIL

MEETING OF THE PLANNING COMMITTEE

MONDAY, 28th JANUARY 2019

MINUTES

1. The following applications had been received:-

18/P/4941/FUL	62 Ham Green Pill	Erection of a steel framed agricultural building for storage of agricultural items.
---------------	----------------------	---

Councillors were concerned that there would be livestock effluent runoff into Markham Brook. Does the proposal affect the openness of the GB? If given permission, any approval must contain a condition that the structure can never be converted into a residential dwelling.

19/P/0042/FUH	46 Brookside Pill	Proposed single storey side extension.
---------------	----------------------	--

No objections.

1. The following application had been approved:-

18/P/4475/FUH	8 Lodway Pill	Proposed raising of existing roof to create a new loft room together with a side extension for a new staircase.
---------------	------------------	---
