'To be the best me that I can be.'
The Good Samaritan Luke 10: 27-35

Dear PEIG Parish Council,

I wanted to write to you personally to Thank you for your incredible kind and generous use of the Chestnut Field for the Crockerne Primary Schools Circus event last week.

This event had been four years in the planning (disrupted by the pandemic of course) and it was really important to me to be able to bring a family occasion to the village for the whole community to enjoy. The day went brilliantly and the feedback we have had from the children and the parents has been truly overwhelming. For us, as a small school charity raising money for the children and giving them the best we can is our aim and focus and its these very gestures that allow us to go the extra mile without spending vital funds. We are sincerely grateful to you for the loan of the Community Gazebos and Bistro Tables and chairs too, that really set the scene and were enjoyed by so many. As the current Chair of the PTA it's an honour to be able to help make these things happen with the help from such thoughtful people like you in our community. This is one of the best features of this wonderful village. I also get the amazing job of telling everyone that we raised a fantastic £3300 for our kids at Crockerne.

So, from myself, my PTA team and the wonderful children of Crockerne, Thank you so very much PEIG Parish Council.

With our very best and heartfelt wishes to you

Charlotte Kaszubski
Chair of the Friends of Crockerne PTA
