## WHAT HAVE WE BEEN DOING?

### Cyber Safety.

We have had an increase this month of incidents involving the sharing of indecent messages, images and videos between young people. There are so many risks involved with these types of incidents, sending them over social media platforms such as Snapchat or Whatsapp gives those platforms the rights to those images or videos.

Young people all have mobile phones but whose name is on the contract? The risks of an adult having those images on a device that is registered to them may have detrimental effects.

If these incidents start to become frequent with an individual it could potentially lead to that person being put onto the Sex Offenders Register which can impact their entire lives, from holidays to future relationships or future employment all because of a very mindless decision.

Please be aware of these risks and should you wish to have us visit your school to discuss these matters we are more than happy to; just send us an email and we can organise a visit and lesson plan.

### Reporting the issues!

Redwood Neighbourhood Team are keen to hear about the concerns you have in your areas. Intel for us is like pieces of a jigsaw puzzle and what may seem as something insignificant may be that final piece, so we have the whole picture.

On the bottom of this page there are the email addresses of all members of the Redwood team and we want to hear your concerns and develop our intelligence.

As always, we only expect you to email us if you want to express concerns but if you need to report a crime then it still needs to be 999 or 101.

- Suspicious Vehicles?
- Suspicious Behaviour?
- Drug use or supply?

Above are a few examples of things that may be useful to us if you have concerns surrounding them, we are here to develop it so the more the merrier.

## Tis the Season!

### Home Security

Yes, it is somehow Christmas already! When it comes to Christmas there is always an element of risk around home security.

A common problem we come across is when people buy wonderful presents for their nearest and dearest and then throw out the packaging, advertising what is inside the property.

Lots of new bikes are gifted at Christmas. As a neighbourhood team we offer **FREE BIKE REGISTER** which we will be looking at organising for the new year so keep your eyes peeled for the announcement.

## Neighbourhood Watch

There have been many fantastic COVID community groups made in our area and as COVID restrictions have reduced we are hoping that they could keep running as a Neighbourhood Watch program.

If interested in this opportunity follow this link: <https://www.ourwatch.org.uk/> or contact [paulk.johnson@avonandsomerset.police.uk](mailto:paulk.johnson@avonandsomerset.police.uk)

## Pill PACT Meeting.

This month Dan and I were lucky enough to be invited to Pill's PACT meeting which we were able to attend.

It was a great asset for us to hear the concerns from the community themselves and will do all we can to attend more at Pill and elsewhere. If you would like us to attend, please let us know and we will do all we can to attend.
